

DEPARTMENT OF  
CLINICAL RESEARCH

## DAY OF CLINICAL RESEARCH 2024

**Thursday, 28 November 2024**

**10.00 – 18.30 Auditorium Langhans, Inselspital**

### **Professor Asma Khalil**

Prof. Dr. Khalil is a Consultant Obstetrician and Fetal Medicine specialist at St George's Hospital, London and is the lead of their twin and multiple pregnancy service.

She is an internationally renowned specialist in Maternal and Fetal Medicine and specialises in scanning women and babies with complications in pregnancy.

### **Professor Vincenzo Mazzaferro**

Prof. Dr. Mazzaferro is full Professor of Surgery at the Department of Oncology of the University of Milan and Director of the Gastro-Intestinal Surgery and Liver Transplantation Unit at the Istituto Nazionale Tumori of Milan, Italy.

He has developed clinical and experimental projects in liver oncology and his research has directly changed clinical practice in the field of liver transplantation for malignancy.

## **Bern Highlights**

This session showcases research with extremely high clinical impact, featuring major clinical trials and studies that have changed practice in the last year.

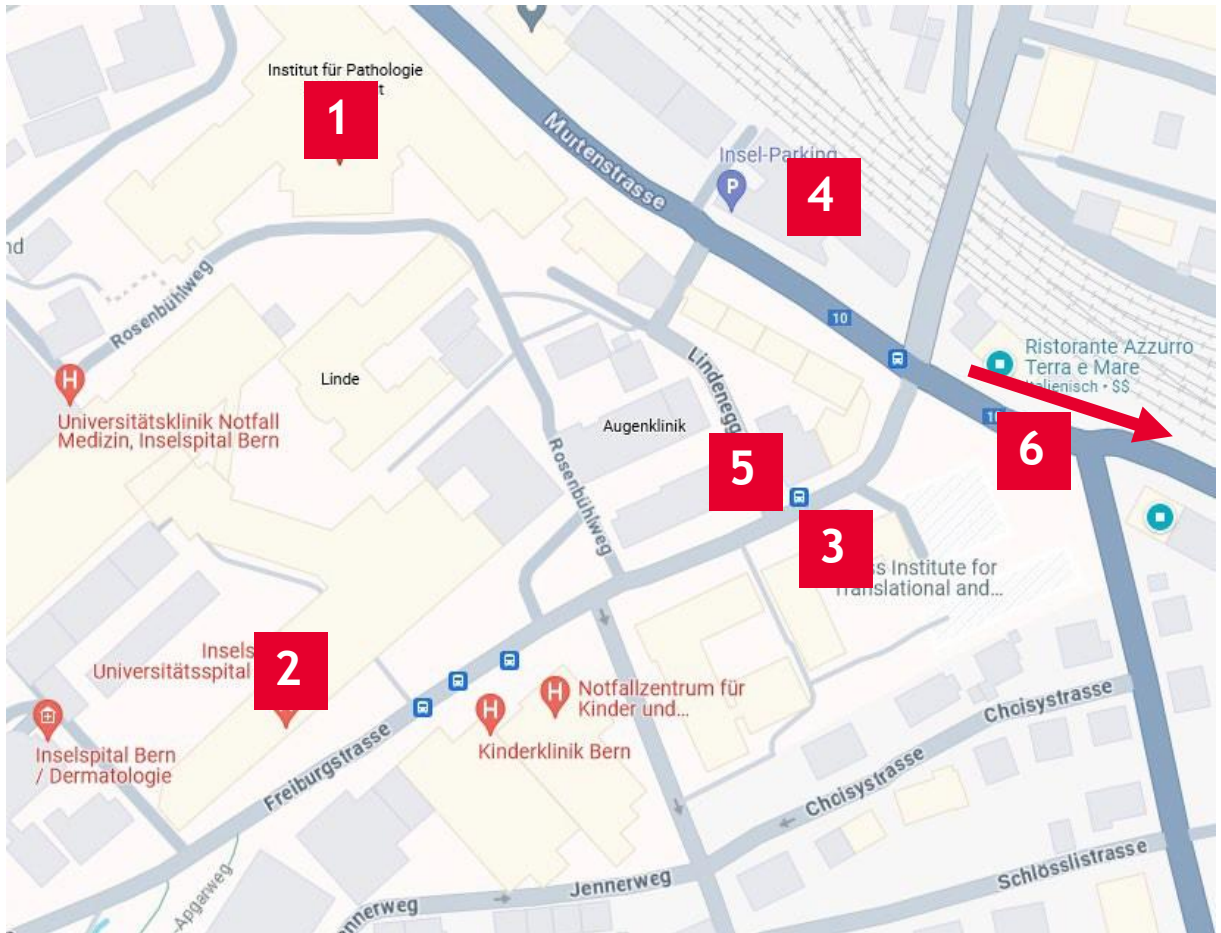

## **Junior Research**

Researchers pre-habilitation will showcase their most recent research in a special Pecha Kucha presentation during the Junior Research Showcase on Tuesday, 26/11/2024 at the Anna-Seiler-Haus.

The top 4 submissions will present their studies on the Day of Clinical Research during the Junior Research Highlights session.

## **Poster Session**

The poster exhibition will present the most recent ongoing and completed research projects made in Bern. Meet the poster authors during the Poster Walk on the Day of Clinical Research.
