Johanna Dürmüller-Bol DBMR Research Award 2019
funded by:

Day of BioMedical Research kindly supported by:

13.11.2019
Day of BioMedical Research

Keynote Lectures:

Prof. Dr. Jacob Corn
Professor for Genome Biology and Molecular Health Science, ETH Zürich, Switzerland

Prof. Dr. Eckhard Wolf
Head of the Gene Center Munich
Institute of Molecular Animal Breeding and Biotechnology, Gene Center, LMU Munich, Germany
Program 2019

Tuesday, November 12

Foyer Auditorium Ettore Rossi

**14.00 – 17.00 h**

*Poster Exhibition*

*Foyer Auditorium Ettore Rossi*

10.00 – 17.00 h

*Unitectra* and the *Grants Office* of

the University of Bern

**Poster Exhibition**

Presenting authors will be on site to

answer your questions.

Posters with even numbers

13.30 – 14.30 h

Posters with odd numbers

14.30 – 15.30 h

---

**Auditorium Ettore Rossi**

15.30 h

**Welcome Address**

*Prof. Dr. Mark A. Rubin*

Director DBMR

15.45 h

**Keynote Lecture**

*Prof. Dr. Jacob Corn*

Professor for Genome Biology

ETH Zürich, Switzerland

“CRISPR-Cas at work in human cells”

---

Wednesday, November 13

**16.30 h**

**Award Ceremony**

Johanna Dürmüller-Bol DBMR Research Award 2019

Welcome Address of the

Fondation Johanna Dürmüller-

Bol by Prof. Dr. Peter Mürner,

President of the Fondation

Presentation by the recipient of

the Johanna Dürmüller-Bol

DBMR Research Award 2019

**16.50 h**

**Keynote Lecture**

*Prof. Dr. Eckhard Wolf*

Head of the Gene Center

Munich Institute of Molecular Animal

Breeding and Biotechnology,

Gene Center, LMU Munich,

Germany

“Genetically tailored pigs as
disease models and organ
donors for xenotransplantation”

---

**17.35 h**

**Awards Ceremony**

Poster Prizes of the DBMR

- best preclinical project
- best clinical project
- best project by a medical student
- best publication 2018

**Research Prize Best Stem Cell Project**

awarded by the Platform for Stem Cell

Research in Regenerative Medicine

**Research Prize Alumni MedBern**

best collaboration bridging the gap

between university and non-university partners, between basic and clinical

research and between Faculties of the

University of Bern

followed by Apéro

Foyer Ettore Rossi
